Fun Italian Style

Carnival Fun Italian Style

Where did these ships get all this cool Italian flair? Thank our sister line Costa Cruises (Grazie, sorella!), but the onboard fun makes these ships our own! There's the new experiences inspired by Costa's heritage, like exclusive Terrazza staterooms and great spots to sip like the Frizzante™ wine bar or fun frozen drink spot Rococó™... plus more great flavor in the form of Mex-Italian fusion at Tomodoro™ and elevated Italian classics at Il Viaggio. Speaking of classics, you can also expect plenty of Carnival fan-faves among the onboard food, entertainment and service.

These staterooms are great for a pair of cruisers on a budget, creatively maximizing space with a different layout — one Twin bed, and either an upper Pullman or sofa bed, plus an added touch: round windows provide a view of the ocean.
